Global Gate International Summer School 2024

We're excited to introduce you to the Global Gate International Summer School 2024 to be held on the stunning campus of Eastern Mediterranean University (EMU) in Famagusta, Northern Cyprus. Our experienced program designers and managers have organized an amazing summer camp on the breathtaking Mediterranean island of Northern Cyprus.

Our programs provide a wide range of English language courses for all levels, making it easy for you to offer a program that suits the needs of your clients. Plus, we can even create tailored courses upon request. University students are also welcome, and we offer departmental courses to help them broaden their knowledge and make new connections. Please note that there is no age limit to participate in our summer school. However, for the language courses, the minimum age limit is 8. We offer Creative Kids program for those below 8. We welcome participants of all ages and backgrounds to join us for an unforgettable summer full of learning, fun, and adventure.

For young adults the Global Gate Summer School Programs provide a unique opportunity to enjoy entertainment, fun, and sun while learning languages. Our programs offer a wide range of English language courses at all levels, so they can improve their language skills and meet people from all around the world. In addition to language courses, we provide exciting activities and excursions, allowing you to discover the island of Cyprus and make new friends. For families who are looking for an unforgettable summer vacation, the Global Gate Summer School Programs offer the perfect solution. While their children enjoy their language courses and exciting activities, they can relax and enjoy the Mediterranean climate. Our programs provide a safe and exciting environment for their children to develop their language skills, make new friends, and explore the stunning island of Northern Cyprus. Parents can take this opportunity to recharge and enjoy a well-deserved break while their children learn and grow.

Our summer programs not only focus on academic development but also help students grow personally by fostering social skills and character building. Parents can relax and enjoy the Mediterranean climate while their children immerse themselves in a new and exciting environment. But that's not all! We believe in having fun and exploring new things, which is why our programs include exciting activities and excursions. Your clients will get to discover the island of Cyprus, make new friends, and learn more about themselves along the way.

Join us in offering an unforgettable summer experience to your clients with the Global Gate Summer School Programs!

About North Cyprus & Famagusta
